**Subject:** Proposed 1-Hour SO2 NAAQS Designations for Consent Decree Sources

Kyra,

Please find attached a copy of the 120-day letter related to our proposed 1-hour SO2 NAAQS designations for the consent decree sources in your state. I sent an email yesterday that also had the technical support document but the attachments were too large and did not get delivered. Andy Hawkins provided the TSD to Emily yesterday afternoon. As we discussed yesterday morning, these documents will be placed on EPA's SO2 designation website tomorrow morning. Should you have any questions, feel free to contact me.
